**India's Lightweight Future**

# India's Aluminium Boom:

## A \$35 Billion Opportunity Powering Manufacturing Renaissance

### Explosive Market Growth:

Market surging from \$13.77 billion (2024) to \$35 billion by 2035, growing at 7.6% CAGR with production volumes jumping from 2.36 to 3.40 million tons

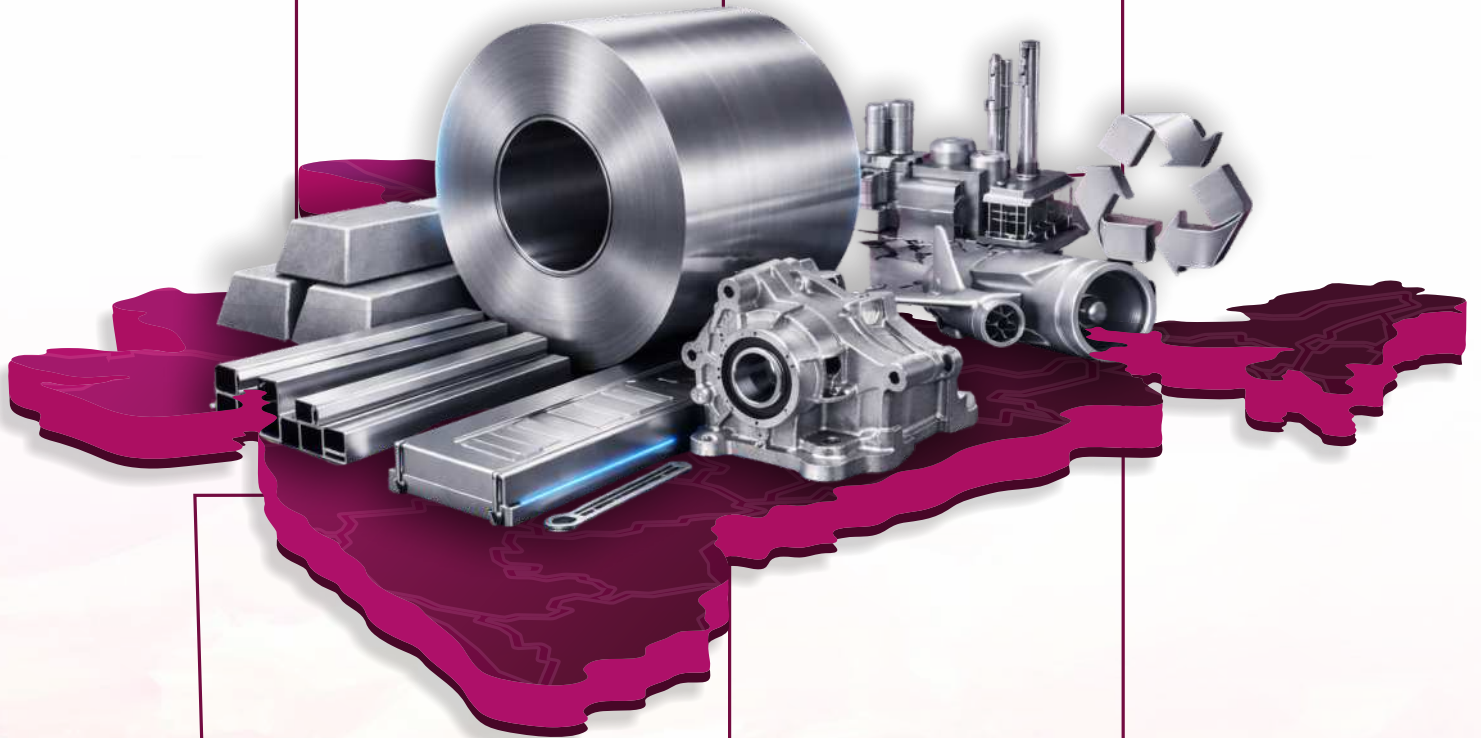

### Global Production Powerhouse:

India ranks as the world's second-largest aluminium producer with 4.15 million tons annual capacity, contributing 6% of global production

### Automotive Manufacturing Engine

31 million vehicles produced in FY25 across 300 manufacturing facilities worth ₹12.67 lakh crore (\$240 billion), with exports surging 19% to 5.3 million units

### EV Revolution Catalyst:

2 million EVs delivered in 2024 driving massive aluminium demand for lightweight battery casings and chassis, enabling 10-20% vehicle weight reduction

### Infrastructure Mega Push:

National Infrastructure Pipeline investing ₹111 lakh crore by 2025, creating unprecedented demand for aluminium in construction and transport

### Strategic Manufacturing Hub:

India's Make in India initiative positioning aluminium as critical enabler for automotive, aerospace, renewable energy, and infrastructure sectors

# INDIA ALUMINIUM SHOW

EXTRUSION | DIE-CASTING | MACHINERY

**13-15 February 2027**  
Autocluster Exhibition Centre, Pune

## Engineering India's Lightweight Future

India is building faster, flying higher and driving smarter. Behind this transformation is one metal that's reshaping how we manufacture and innovate: Aluminium.

Welcome to India Aluminium Show, India's first complete aluminium ecosystem exhibition showcasing machinery and technologies, from extrusion presses to die-casting automation, from recycling technologies to next-generation alloys and everything we need to manufacture light, durable and innovative products.

Join India Aluminium Show from 8-10 January 2027 at Autocluster Exhibition Centre in Pune to meet 6,500+ buyers from automotive, defence, aerospace, construction, machinery and manufacturing sectors.

## Exhibitor Profile

Extrusion Machinery & Equipment

Die-Casting Machinery, Dies, Moulds & Equipment

Machinery Components & Accessories

Technology & Automation

Surface Treatment & Finishing

Recycling Technologies

Quality Control & Testing

Raw Materials & Consumables

## Visitor Profile

Aluminium Manufacturing & Production

Automotive OEMs and component suppliers

SMEs & MSMEs in engineering and manufacturing

Construction and architectural firms

Packaging manufacturers (food, pharma, consumer goods)

Electrical and electronics companies

Aerospace and defence manufacturers

Railway rolling stock producers

# More than a trade show. One event. Many highlights.

**Free-to-attend  
Exhibition**

**Leadership  
Conference**

**Institutional Buyer  
Program**

**Open-House  
Sessions**

**Technical  
Workshops**

## Driving Business into the Future

We empower individuals, communities and companies to grow business, foster collaboration and enable them to discover emerging opportunities. Guided by our mission of 'driving businesses into the future', we organise trade shows and conferences that shape industries and accelerate growth.

Our culture is rooted in our core values of being Progressive, Agile, Resilient & Collaborative (PARC). We believe in the power of innovation to transform industries, value face-to-face networking and keep our customers at the heart of everything we do.

We are Future Market Events.
